Honorable Judge Altea Trauger: 3:15-cr-37-2

Can I request an ex parte hearing before my judgement is submitted? Again, I feel a lack of communication between my attorney and I about issues I'm in question of pertaining my Constitutional rights. Also, I'm not being involved or briefed on any motions submitted on my behalf which I feel my input should at least be considered and not undermined. THANK YOU

Respectfully,
Benjamin Bradley
